

# HE'S BAAACK...CROSSLEY PART II!

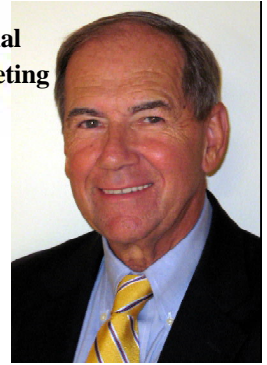

IT'S ALL NEW!!!

Proudly Presents

## Harold Crossley, DDS, PhD

### "Avoid Liability: Know Your Patients' Medications and Their Impact on Dental Treatment!!!"

We are extremely excited to bring back the most popular speaker we've ever had! Dr. Crossley is Professor Emeritus at the University of Maryland Dental School, has co-authored a multitude of articles and four books within the field of Pharmacology. He has been a consultant for the U.S. Drug Enforcement Administration (DEA) and many law enforcement agencies since 1974. He is internationally renowned in the fields of chemical dependency and clinical pharmacology. This year's program will be broken down into two important parts which can have major implications on your office and your practice. The morning session includes indications, contraindications and side effects of the fifty most prescribed medications. The afternoon session provides information for controlling post-operative dental pain. Learn all about adverse interactions, side effects, maximum doses, NSAID's, opiate analgesics, local anesthetics, much, much more and **ALL DIFFERENT MATERIAL!!**
